Benefits of Silencing That Strange Voices

INTRODUCTION

November 2020, while praying, the Lord said to me son, silence that strange voice! I was surprised at the command, so strange to me. Then I asked, Lord what strange voice? The voice you heard a while ago is not my voice, neither is your voice, He replied.

Friend, I was asking God in prayer for approval to embark on a particular task. When I heard that voice, you can go ahead, all my mind was that God has given an approval not knowing it was a strange voice. The surprising thing is that when I heard that voice, there was no inner witness that left me so long on the prayer altar before the voice of intervention came. ‘Silence that strange voice, believe me, if I heard that voice for the second time I would have concluded that God has spoken even without inner witness or peace within me. Your fasting and prayer does not stop strange voices from speaking to you, In fact, the more you pray, the more they speak but the difference

is that there would not be inner witness or peace within you. Many have made shipwreck of themselves by following these strange voices. No matter how anointed you are, they will speak to you.

Strange voices are leading many, thinking is God leading them. When you claim to hear God's voice without Godly evidence, it is a strange voice. This strange voice has destroyed many, put many in confusion, stagnation and shame.

These voices have been throwing many people ups and down. They are responsible for confusion and frustration of people. The only escape route is to stop them. Silencing that strange voice is the only way out. They speak to you at home, in the Church, in the market, your working place, on the street etc. they have no respect for location or personality. Let's look at this Scripture:

¹⁰*“For there are many unruly and vain talkers and deceivers, specially they of the circumcision: ¹¹Whose mouths must be stopped, who subvert whole houses, teaching things which they ought not, for filthy lucre's sake. ¹²One of themselves, even a prophet of their own, said, The Cretians are always liars, evil beasts, slow bellies. ¹³This witness is true. Wherefore rebuke them sharply, that they may be sound in the faith; (Titus 1:10-13).*

Looking at the above Bible Passages, strange voices are everywhere. The spirit of strange voice also possess people, they could be Church members, your friends, relations, associates etc. This spirit could also possess Pastors and Teachers which in return will preach and teach things they ought not to, saying things they ought not to say. It is through silencing them that you overcome them. ...*Whose mouth must be stop and rebuke them sharply not slowly.*

Silence that strange voice as quick as possible before they silence you. Strange voices are life and destiny killer. I pray that in the Name of Jesus Christ that before you get to the end of this book, as you read on, you shall be delivered and totally free from strange voices.

It takes a "**must**" mentality to put a stop to them, *whose mouth 'must be' stopped*. Receive grace to silent every strange voice you have been hearing in the Name of Jesus Christ.

Come with me as we journey together on this book in partnership with the Holy Spirit for an amazing encounter that will change your life and ignite your destiny for purpose fulfilment in life. Be blessed as you read through.

Chapter One

What Are Voices?

V

oices are sounds you hear either within or without.

Voices have capacity to lead, direct and control. Voices are instrument that direct life and destiny. We hear voices inside us, within us, among us, behind us etc.

²¹“And thine ears shall hear a word (voice) behind thee, saying, This is the way, walk ye in it, when ye turn to the right hand, and when ye turn to the left.” (Isa. 30:21).

Fulfillment of life and destiny is tagged to voices, primarily, voices are our rulers. Every kingdom is ruled by voices. Everyone hears voice but not everyone follows voice. Life and

destiny is at risk without following a voice. We live by voice, we walk by voice, every operation in life is an operation of voices. Some follow voices and were destroyed, in the same vein others follow voices and were decorated and made. But interestingly to note is that not following voices is also a risk. The battle of life and destiny, is a battle of voices. Hear this from the Scripture; ³⁰*And the Lord shall cause his glorious voice to be heard,*... (Isa. 30:30). Note this, that Satan is also causing his shameful voice to be heard as he did to Jesus, Jesus heard the voice of Satan saying, if you bow down and worship me, I will give you all these kingdoms. Friend, the battle of voices is a raging battle. Many are confused in life and destiny by many voices they hear, they get confused because they cannot differentiate from which is which. Basically, there are three main voices you hear, the voice of God, the voice of Satan and your own voice.

The Voice of God

From ages, God has always been speaking to His people through diverse ways including speaking loudly by His audible voice. God speaks to us through our inner witness, through that still small voice. Note also that God leads, guides, directs through voices. The challenge is that not everyone has been able to separate the voices of God and other strange voices. The victories king David recorded and enjoyed in his life and destiny was as a result of his ability to know when God speaks and what He speaks. Hear what he says in the scriptures;

“I will hear what God the LORD will speak: for he will speak peace unto his people, and to his saints: but let them not turn again to folly.” (Psalms 85:8).

He also said,

“once has God spoken, twice have I heard,... (Psalms 62:11).

You will be defeated by life challenges as life will fool you when you don't know what, when, where and how God speaks to you. Your ability to differentiate the voice of God from other strange voices gives you a voice in life and destiny. Who you hear determines who you follow, what you hear determines what you do, when you hear, determines when you do. "Until you hear the right voice you cannot behave right". The hope of every believer lies in the voice of God they know. *"...but the people that do know their God shall be strong, and do exploits"* (Dan. 11:32b).

Your glory, honor, power and all that you will ever accomplish in life and destiny are rooted in the voice of God. The voice of God is the asset of every believer.

How Powerful is the Voice of God?

³The voice of the LORD is upon the waters: the God of glory thundereth: the LORD is upon many waters. ⁴The voice of the LORD is powerful; the voice of the LORD is full of majesty.

⁵The voice of the LORD breaketh the cedars; yea, the LORD breaketh the cedars of Lebanon. ⁶He maketh them also to skip like a calf; Lebanon and Sirion like a young unicorn. ⁷The voice of the LORD divideth the flames of fire. ⁸The voice of the LORD shaketh the wilderness; the LORD shaketh the wilderness of Kadesh. ⁹The voice of the LORD maketh the hinds to calve, and discovereth the forests: and in his temple doth every one speak of his glory. (Psalms 29:3-9).

Nothing hinders the voice of God, nevertheless, only what can stop God Himself can stop His voice. When you follow God's voice, you become unstoppable in life and destiny.

The Voice of Satan

Know this also that from the beginning of creation and man, Satan has always been speaking to man. Satan will never speak to you until God speaks to you first. Satan knows fully well that man has the ability to make choice when presented with options. Man with his natural senses always choose the wrong path, because it always seems right in his eyes. when God speaks to man to lead him right, then Satan also speaks to lead him wrong. Hear this in **Gen. 3:1-13**.

¹“Now the serpent was more subtil than any beast of the field which the LORD God had made. And he said unto the woman, Yea, hath God said, Ye shall not eat of every tree of the garden? ²And the woman said unto the serpent, We may eat of the fruit of the trees of the garden: ³But of the fruit of the tree which is in the midst of the garden, God hath said, Ye shall not eat of it, neither shall ye touch it, lest ye die. ⁴And the serpent said unto the woman, Ye shall not surely die: ⁵For

God doth know that in the day ye eat thereof, then your eyes shall be opened, and ye shall be as gods, knowing good and evil. ⁶And when the woman saw that the tree was good for food, and that it was pleasant to the eyes, and a tree to be desired to make one wise, she took of the fruit thereof, and did eat, and gave also unto her husband with her; and he did eat. ⁷And the eyes of them both were opened, and they knew that they were naked; and they sewed fig leaves together, and made themselves aprons. ⁸And they heard the voice of the LORD God walking in the garden in the cool of the day: and Adam and his wife hid themselves from the presence of the LORD God amongst the trees of the garden. ⁹And the LORD God called unto Adam, and said unto him, Where art thou? ¹⁰And he said, I heard thy voice in the garden, and I was afraid, because I was naked; and I hid myself. ¹¹And he said, Who told thee that thou wast naked? Hast thou eaten of the tree, whereof I commanded thee that thou shouldest not eat?

¹²And the man said, The woman whom thou gavest to be with me, she gave me of the tree, and I did eat. ¹³And the LORD God said unto the woman, What is this that thou hast done? And the woman said, The serpent beguiled me, and I did eat” (Gen. 3:1-13).

Every wrong path always look good. That is why the devil always present it to man as an option. Hear this, **“...And the woman saw that the tree is good for food, and pleasant to the eyes and a tree to be desired”.**

Man always get into trouble when he follows the voice of Satan. Following the voice of Satan is following trouble in life and destiny. The voice of Satan is the voice Jesus referred to as the strange voice. It is the unknown voice. Satan wants to always make his unknow voice known by all means. Following an unknown voice is a disaster and error to life and destiny.

⁵"And a stranger will they not follow, but will flee from him: for they know not the voice of strangers. ¹⁰The thief cometh not, but for to steal, and to kill, and to destroy:...", (John 10:5/10).

Every strange voice you hear is a thief, it comes to steal from you, to kill and destroys your life and destiny. The devil has nothing good to offer anyone, hence should be stopped. Subscribing to the voice of Satan is subscribing to destruction of life and destiny. You must take responsibility to stop that strange voice. Hear this! *"...whose mouth must be stopped...", (Titus 1:11).*

The voice of Satan is so easy to stop. Once you take your stand to challenge the voice, it flee. Jesus stopped the voice in the book of **Luke 4:2-13**;

²"Being forty days tempted of the devil. And in those days he did eat nothing: and when they were ended, he afterward

hungered. ³And the devil said unto him, If thou be the Son of God, command this stone that it be made bread. ⁴And Jesus answered him, saying, It is written, That man shall not live by bread alone, but by every word of God. ⁵And the devil, taking him up into an high mountain, shewed unto him all the kingdoms of the world in a moment of time. ⁶And the devil said unto him, All this power will I give thee, and the glory of them: for that is delivered unto me; and to whomsoever I will I give it. ⁷If thou therefore wilt worship me, all shall be thine. ⁸And Jesus answered and said unto him, Get thee behind me, Satan: for it is written, Thou shalt worship the Lord thy God, and him only shalt thou serve. ⁹And he brought him to Jerusalem, and set him on a pinnacle of the temple, and said unto him, If thou be the Son of God, cast thyself down from hence: ¹⁰For it is written, He shall give his angels charge over thee, to keep thee: ¹¹And in their hands they shall bear thee up, lest at any time thou dash thy foot against a stone. ¹²And

Jesus answering said unto him, It is said, Thou shalt not tempt the Lord thy God. ¹³And when the devil had ended all the temptation, he departed from him for a season" (Like 4:2-13).

If Christ can stop the voice, you in Christ can stop the voice also. The grace to stop that strange voice comes upon you now in The nyame of Jesus Christ!

Your Own Voice

The third voice, a man hears is his own voice. The voice of a man is a voice of assumptions and suggestion. The voice of God is so certain and original while that of Satan is photocopy. But the voice of man is full of uncertainty. When God speaks to you, and Satan comes to speak contrariwise, the voice that follows is your voice. It then makes suggestions to you, trying to tell you the reason why what God says to you is true and also why what Satan says to you is also true. This leaves you in

confusion and frustration and also into thinking all day long not knowing the one to obey. This is where counselling and prayers comes in to seek clarity and direction from God. You can't stop your voice because it is the voice you know. Your voice is not strange but once you are able to stop the strange (i.e Satan's voice), your voice automatically agrees with what God says without option. Your voice comes in force when you harden not your heart against the saying of God.

¹⁵“while it is said, today if ye will hear his voice, harden not your heart as in the day of provocation” (Heb 3:15).

You hear your voice again after God has spoken to you.

¹¹“God hath spoken once; twice have I heard this; that power belongeth unto God.” (Psalms 62:11)

Your voice is the voice of emphasis. You hear your own voice primarily when you are angry. The voice you hear when you are angry with what God says or Satan says is your voice. It is a

voice you hear presumptuously. Your voice either leads you to good or bad and/or ultimately leaves you in confusion. This is where you need counsel to ascertain exactly what to do. Good counsel leads you to follow the voice of God while bad counsel leads you to follow Satan's voice.

Differentiating God's Voice from Satan's Voice

¹⁰“There are, it may be, so many kinds of voices in the world, and none of them is without signification. ¹¹Therefore if I know not the meaning of the voice, I shall be unto him that speaketh a barbarian, and he that speaketh shall be a barbarian unto me.” (1Corin 14:10-11)

Your victory in life and destiny is dependent on your ability to differentiate the voice of God from that of Satan's. If you don't know who is talking to you, you will end up following everybody that talks. If you don't know who is calling you, you will end up answering everybody that calls.

³“To him the porter openeth; and the sheep hear his voice: and he calleth his own sheep by name, and leadeth them out. ⁴And when he putteth forth his own sheep, he goeth before them, and the sheep follow him: for they know his voice. ⁵And a stranger will they not follow, but will flee from him: for they know not the voice of strangers.” (John 10:3-5).

The voice you follow either makes you a voice or a vice. Many believers today cannot differentiate the voice of God from other strange voice. "It looks like it does not mean what it is". For instance, Mr. John looks like Mr. James does not make Mr. John James. You must be able to know and identify Mr. John from Mr. James when both of them appear if not, error is inevitable. You walk in error and destruction in life and destiny when you cannot differentiate the voice of God from that of Satan when they both speak to you. The sound of the voices may not be different but the messages differs. The containers

are the same does not mean they have the same contents. You differentiate them by their contents.

Let's look at these Scriptures;

⁸“I will hear what God the LORD will speak: for he will speak peace unto his people, and to his saints: but let them not turn again to folly.” (Psa. 85:8)

¹“Now the serpent was more subtle than any beast of the field which the LORD God had made. And he said unto the woman, Yea, hath God said, Ye shall not eat of every tree of the garden? ²And the woman said unto the serpent, We may eat of the fruit of the trees of the garden: ⁴And the serpent said unto the woman, Ye shall not surely die? (Gen. 3:1-2/4)

⁶“And saith unto him, If thou be the Son of God, cast thyself down: for it is written, He shall give his angels charge concerning thee: and in their hands they shall bear thee up,

lest at any time thou dash thy foot against a stone. (Matthew 4:6)

From the above Scriptures, we can see clearly that;

God speaks peace to His people. Every unpeaceful voice you hear is a strange voice. Any voice you hear that troubles you is not from God. The voice of God is a voice of peace.

¹⁰“He shall speak Peace unto the heathen...” (Zech 9:10).

When you hear a voice, and you felt peace within you, that is the Voice of God. Any voice you hear and you are troubled on every side, it's a strange voice that must be stopped. Satan always speaks to contradict God, the voice of Satan contradicts the voice of God. He is always against God's voice (Word). God said to the woman: thou shall surely die and the devil came and said, eat it, thou shall not surely die. Any voice you hear that is not in line with the Word of God is the voice of Satan. The voice of God is the voice of wisdom while the voice of

Satan is the voice of foolishness. Satan speak folly. Any voice that pushes you against God is Satan's voice.

Friend, spiritual sensitivity is required to put a separation to these voices. Sometimes, these voices sound alike but they are not the same, if you are not sensitive spiritually, you can fall victim. Many are walking in strange voices today, believing that it is God that spoke to them.

¹⁰“...I was in the spirit on the Lord's day, and heard behind me a great voice as of a trumpet” (Rev 1:10)

¹“After this I looked, and, behold, a door was opened in heaven: and the first voice which I heard was as it were of a trumpet talking with me; which said, Come up hither, and I will shew thee things which must be hereafter. And immediately I was in the spirit:” (Rev 4:1 & 2a)

Lack of spiritual sensitivity brings calamity. It takes spiritual sensitivity to differentiate voices. May you not become victim

of strange voices in the Name of Jesus Christ. Receive grace for
spiritual sensitivity in Jesus Name! Amen!!.

Chapter Two

The Strange Voices

For there are many unruly and vain talkers and deceivers, specially they of the circumcision: ¹¹Whose mouths must be stopped, who subvert whole houses, teaching things which they ought not, for filthy lucre's sake. – (Titus 1:10-11). This means that the whole essence of strange voices is to steal, to kill and to destroy. That is why the above Scriptures referred ‘for filthy lucre’s sake. It means, for stealing, killing and destruction sake.

⁵And a stranger will they will not follow, but will flee from him, for they know not the voice of strangers. ¹⁰The thief (stranger) cometh not but for to steal, and to kill and to destroy" (John 10:5/10).

It is risky to accommodate strangers, sometimes their intentions are far beyond what you know. It is a risk to life and destiny in walking with strange voices, because their aims are far above your understanding.

Basically, strange voices are voices of Satan whose primary purpose is to steal, kill and destroy your life and destiny. The manifestation of Satan begins with you hearing strange voices; telling you to do this, that and these are things that are against the fulfillment of your life and destiny. Let's examine some of these strange voices or what we call strange voices.

For instance, there was a young man I ministered deliverance to some years back. I was sitting inside the Church when he walked in and said to me sir, I need prayer, I asked him what happened, he said I am a sinner, then I told him sit down. Tell me, what did you do? He said sir, there is a voice that is always telling me to go and smoke, drink and womanize. I asked him; do you always obey? he said, yes sir, I always do because it is a

compelling voice. Hear this beloved; you may be in the same situation now. That voice is a strange voice. Any voice compelling you to sin, is a strange voice. That voice telling you to go and smoke, drink, womanize, steal, is a strange voice. Any voice compelling you to fight is a strange voice. Any voice telling you not to go to Church or not to pray is a strange voice. That voice telling you to disobey your parents, teachers, guardian or even your leaders is a strange voice. Any voice telling you to cheat as a student, a voice telling you to cheat in an examination or carry unauthorized Materials (Expo) to examination is a strange voice. Any voice telling you not to forgive those that offends you, is a strange voice. Strange voice is a voice of manipulation, deception, and cunning. Any voice telling you to take poison is strange voice, that voice compelling you to go and kill yourself (voice of suicide) is a strange voice. In fact, any voices that makes you do the opposite of God's plans and purpose for your life is a strange

voice and needs to be aborted immediately. A lady was caught at the point of committing suicide, when asked why? She said, a voice has been telling her to do it, that what is she living for, when nothing is working for her. A family man resigned from his job and the whole family were in hardship, suddenly, one day the man started crying when all efforts to get some money from friends proved abortive. When he was asked, why did he stop his job? he said, he doesn't know, that for long a voice has been telling him to resign. And he thought it was God. And now five years down the line, he has not gotten another job.

Friend, God will always have a better job for you first before asking you to resign the present. Beware of strange voices. This voice has taken people away from their place of fortune to the place of misfortune. You want to go somewhere and a voice said to you don't go and immediately you lose your peace, please get up and go there. Something good awaits you there. It is a strange voice. But when the voice said to you don't go and

there is peace within you, please don't go. That is God speaking to you. *"These things I have spoken unto you, that in me ye might have peace. In the world ye shall have tribulation."* **(John 16:33)**. May you not be destroyed by strange voices in the Name of Jesus Christ. Amen!

Strange voices have no respect for location or persons. You hear strange voices even in the Church, in the market place, in your house, in your office, when sleeping or awake. There was a brother that came to the Church; according to him, during the sermon, a voice said to him, get up and go now and he was out of the Church and went home. The strange voice caused him to miss his liberty from captivity in that service. So, it has no respect for location, you heard strange voice in bathroom and toilet.

It speaks to you no matter your personality, title or position. When a Pastor, Bishop, Apostle, Evangelist, Prophet or Teacher speaks out of Scriptures to contradict Scriptures to tell you this

is what God is saying, such individual is under the influence of a strange voice, i.e. telling you boldly this is what I hear now and that thing contradicts the Scriptures. He just heard a strange voice. (Titus 1:11) In any capacity you can hear God's voice, you can also hear strange voice in that capacity, we are surrounded with voices, and we live in a world of voices.

1Cor. 14:7-8/10-11

7“And even things without life giving sound, whether pipe or harp, except they give a distinction in the sounds, how shall it be known what is piped or harped? 8For if the trumpet give an uncertain sound, who shall prepare himself to the battle? 9There are, it may be, so many kinds of voices in the world, and none of them is without signification. 10Therefore if I know not the meaning of the voice, I shall be unto him that speaketh a barbarian, and he that speaketh shall be a barbarian unto me.”

May the Lord delivers you from strange voices in the name of Jesus.

Some Channels Through Which Strange Voices Manifest

The same capacity God speaks, devil also speaks but they don't speak the same thing (message). God is a Spirit, devil also is a spirit. The voice of spirit is one but the content of what they speak differs. There is Holy Spirit and there is a filthy or unholy spirit (evil spirit), both are spirits, the Holy Spirit speaks and brings holy messages, while unholy spirit (evil spirit) speaks and brings unholy (evil) messages.

The spirit in man is a Holy Spirit, because man is the spirit and the image of God. God created/made man in His Image and was breathes His Spirit which made man a spirit. This spirit is the Spirit of God in man. The voice that man is used to, is the voice of the Holy Spirit. Man has always been hearing holy voices

with holy messages. The first time man heard unholy voice, It was a strange voice to him and he was made naked and put to destruction when he yielded. Till today we have strange voices through the same channel we hear God's voice. Let's examine some of the know God's channels, we hear strange voices;

- **The Voice of Prophecy: Deut. 18:18** *“I will raise them up a Prophet from among their brethren, like unto thee, and will put my words in his mouth; and he shall speak unto them all that I shall command him.”*

We know fully well that prophets are the mouth piece of God. God speaks expressly through his prophets to his people.

“God, who at sundry times and in divers manners spake in time past unto the fathers by the prophets, (Heb 1:1)

“And he said, Hear now my words: If there be a prophet among you, I the LORD will make myself known unto him in a vision, and will speak unto him in a dream (Num 12:6).

God has not stopped speaking to us through prophets. The voice of prophet is the Voice of God. But Wait a minute, also the voice of a prophet is the voice of devil also. The voice of a prophet is a strange voice as well, the content of the message makes the different. Hear this **1Kings 22:21-22** ²¹*“And there came forth a spirit, and stood before the LORD, and said, I will persuade him. ²²And the LORD said unto him, Wherewith? And he said, I will go forth, and I will be a lying spirit in the mouth of all his prophets. And he said, Thou shalt persuade him, and prevail also: go forth, and do so.”*

Deut. 18:20-22 ²⁰*“But the prophet, which shall presume to speak a word in my name, which I have not commanded him to speak, or that shall speak in the name of other gods, even that prophet shall die. ²¹And if thou say in thine heart, How shall we know the word which the LORD hath not spoken? ²²When a prophet speaketh in the name of the LORD, if the thing follow not, nor come to pass, that is the thing*

which the LORD hath not spoken, but the prophet hath spoken it presumptuously: thou shalt not be afraid of him.”

In as much as God speaks through Prophets, they are also channels of strange voices. When a Prophet begins to voice out things or messages that contradict the scriptures, it is certain that such a prophet is under strange voice. The content of the message you hear from a prophet will tell you whether you are hearing God’s voice or strange voice. Prophets are not fake but their message could be fake when under strange voices. It is fake voice that makes prophet fake. Many jump at every prophecy without proper examination and they become victims of strange voice of prophecy. ***“Saying thing they ought not to say, whose mouth, must be stopped” – (Titus 1:12)***

Before you agree with any prophecy, seek to know God’s position through his written word (The Bible), before positioning yourself. God’s spoken word cannot contradict his written word. ³***“Can two walk together except they be agreed?***

(Amos 3:3) ²⁴“And if a kingdom be divided against itself, that kingdom cannot stand, ²⁵and if a house be divided against itself, that house cannot stand” (Mark 3:24-25).

God cannot speak against His Word, God always speak peace to his people. So, beware of Prophets that always speak fear and tension into you. They will tell you, thus saith the Lord, tomorrow you shall die, and the Lord said, go and bring sacrifice of fifty thousand naira only, now or else you will die tomorrow, and the only money you have at home and abroad is one thousand naira, then fear and tension sets in, you begin to run pillar to pole looking for where to borrow money. Note this, God can never put anyone under tension, God cannot demand from you what he knows you don't have the capacity to do. Whatever God will do or say to you is according to the power at work in you (Eph. 3:20). God will not do or say what will put you under tension and fear. Fear is a torment. Any voice that puts you under tension and fear is a strange voice.

- **The Voice of Teachers and Preachers:**

Today, we have Teachers and Preachers who are under strange voices. Through them we hear strange voices and through them we hear the voice of God. This is crucial because teachers and preachers are God's ordained instrument of guidance and directions. God said ²⁰*"And though the Lord give you the bread of adversity, and the water of affliction, yet shall not thy teachers be removed into a corner any more, but thine eyes shall see thy teachers: ²¹And thine ears shall hear a word behind thee, saying, this is the way, walk ye in it, when ye turn to the right hand, and when ye turn to the left. (Isa. 30:20-21)*

The devil has seized this opportunity to speak strange voice, instead of us hearing the right voice behind us through teachers, we now hear strange voices behind us, to mislead and misinform us. They now teach and preach things they ought not for filthy lucre's sake. (Titus 1:10-11)

I heard a Pastor teaching from the book of Genesis, and he said ‘God never told Noah to build an ark, that Noah just decided by revelation to build an ark because God promised to destroy the earth with flood.’ This is not Scriptural. Hear this, Noah builds the ark by instruction not by revelation. Looking at Genesis. (Gen. 6:12-22) ¹²*And God looked upon the earth, and, behold, it was corrupt; for all flesh had corrupted his way upon the earth. ¹³And God said unto Noah, The end of all flesh is come before me; for the earth is filled with violence through them; and, behold, I will destroy them with the earth. ¹⁴Make thee an ark of gopher wood; rooms shalt thou make in the ark, and shalt pitch it within and without with pitch. ¹⁵And this is the fashion which thou shalt make it of: The length of the ark shall be three hundred cubits, the breadth of it fifty cubits, and the height of it thirty cubits. ¹⁶A window shalt thou make to the ark, and in a cubit shalt thou finish it above; and the*

door of the ark shalt thou set in the side thereof; with lower, second, and third stories shalt thou make it.

¹⁷And, behold, I, even I, do bring a flood of waters upon the earth, to destroy all flesh, wherein is the breath of life, from under heaven; and every thing that is in the earth shall die.

¹⁸But with thee will I establish my covenant; and thou shalt come into the ark, thou, and thy sons, and thy wife, and thy sons' wives with thee. ¹⁹And of every living thing of all flesh, two of every sort shalt thou bring into the ark, to keep them alive with thee; they shall be male and female. ²⁰Of fowls after their kind, and of cattle after their kind, of every creeping thing of the earth after his kind, two of every sort shall come unto thee, to keep them alive. ²¹And take thou unto thee of all food that is eaten, and thou shalt gather it to thee; and it shall be for food for thee, and for them. ²²Thus did Noah; according to all that God commanded him, so did he.

God commanded Noah to build the ark with specification. This Pastor's teaching, set social media on fire with argument and counter argument. A lot of people were criticizing him. I simply said, No! This man is under strange voice, whose mouth must be stopped. There are many Teachers and Preachers under the influence of strange voices today, just to misinform, mislead and to destroy people. You must silent that strange voice. A lot of unscriptural tapes, messages and broadcast are littered all over the streets nowadays, strange voices; beware of strange messages. So, the voice of Teachers and Preachers are also channels of strange voices. It could be your Pastor, Bishop, Apostle or Prophet. Test every spirit and know if it is of the Lord's. Note this, this does not make them fake, the devil is trying to take advantage of them. Please pray for your Pastors and Ministers of the Gospel.

- **The Voice of Counsel:**

Yes, everybody wants to have a consultant, adviser and counsellor, in any matter of life whether circular or spiritual. We often hear people say, I want to see my Pastor for counselling and I want to see my adviser for advice. It is not wrong in any capacity you choose. It is scriptural to have multitudes of counsellors or advisers to be sure of that matter. Let us look at some Scriptures that support this:

Prov. 11:13-14

¹³“A talebearer revealeth secrets: but he that is of a faithful spirit concealeth the matter. ¹⁴Where no counsel is, the people fall: but in the multitude of counsellors there is safety.

Prov. 15: 22-25

²²Without counsel purposes are disappointed: but in the multitude of counsellors they are established. ²³A man hath joy by the answer of his mouth: and a word spoken in due season, how good is it! ²⁴The way of life is above to the wise,

that he may depart from hell beneath. ²⁵The LORD will destroy the house of the proud: but he will establish the border of the widow.

Prov. 20:18-19

¹⁸Every purpose is established by counsel: and with good advice make war. ¹⁹He that goeth about as a talebearer revealeth secrets: therefore meddle not with him that flattereth with his lips.

Prov. 24:6

‘For by wise counsel thou shalt make thy war: and in multitude of counsellors there is safety.’

From the Scriptures above, we understand that God is a God of counsel, even Jesus was declared as a counsellor. The voice of God is a voice of counsel. The devil also has taken advantage of this to make people victim of bad counsel through strange

voices. Good counsel is the voice of God while bad counsel is a strange voice (voice of the devil).

Many people are victim of strange counsel from strange voices.

Note that, any counsel that goes against Scriptures is a strange counsel from strange voice. For instance, whosoever that counsels you to go and steal or do 419 to meet your needs is under strange voice. A lady once told me that someone advise her to go and prostitute to cater for herself and her siblings, such advice is a bad counsel from a strange voice through..

Let's look at this account of strange voice through counselling in the Scriptures:

2Samuel 16:20-23

²⁰“Then said Absalom to Ahithophel, Give counsel among you what we shall do. ²¹And Ahithophel said unto Absalom, Go in unto thy father's concubines, which he hath left to keep the house; and all Israel shall hear that thou art abhorred of thy

father: then shall the hands of all that are with thee be strong. ²²So they spread Absalom a tent upon the top of the house; and Absalom went in unto his father's concubines in the sight of all Israel. ²³And the counsel of Ahithophel, which he counselled in those days, was as if a man had enquired at the oracle of God: so was all the counsel of Ahithophel both with David and with Absalom. Also read 2Sam. 17 at your leisure time.

This is the strange counsel through strange voice that destroyed Absalom. Watch out for strange voices whenever and wherever you seek for counsel, no matter the personality of who is counselling you. May you not become a victim of strange counsel in the Name of Jesus Christ, Amen!!!

Any counsel that does not agreed with the word of God is a strange counsel through strange voice, no matter who is counselling or advising you.

- **The Voice of Admonition:**

Beloved, be careful when people admonish you. Spiritual sensitivity is highly required to escape strange voices through the voice of admonition. When everyone is coming to exhort, advice, admonish you, especially when in trials, the devil takes advantage to give ill exhortation and admonition. You get the good, the bad and the ugly. When one is not full with the knowledge required, that fellow is bound to fall victim of strange voices in this regards. Don't forget that every channel God speaks through, the devil also speaks through it. This is why it is required that one is full of knowledge on every matter.

¹⁴*“And I myself also am persuaded of you, my brethren, that ye also are full of goodness, filled with all knowledge, able also to admonish one another.” (Rom 15:14).*

If the one admonishing and the one being admonished are ill in full knowledge of a matter, manifestation and victim of strange

voice is inevitable. When the deliverer needs deliverance; that means the one under or for deliverance will be devastated.

Other channels through which strange voices manifest among the ones listed include; the voice of singing and the voice of instruction. Many have been imparted with strange spirit through the voice of singing. Many ungodly songs if not all are manifestation of strange voices also.

God ordained instruction to construct our life and destiny, and when instruction is leading you to destruction, it is a manifestation of strange voices. In conclusion here, strange voices could manifest through the voice of prophecy, teaching and preaching, others are voice of counsel, admonition, singing, instruction and many more, hence, requires spiritual smartness and sensitivity to discern whose voice you hear per time. Take responsibility to stop that strange voice. The required grace to silence every strange voice comes upon you in The Name of Jesus Christ. Amen!!

Chapter Three

Implication of Strange Voices

Strange voices lead to vices. They are the voice of enticement.

The Bible says in *Prov. 1:10* ¹⁰“*My son if sinners entice you, consent thou not.*”

A violent man enticed his neighbor and lead him into the way that is not good (Prov. 6:29).

When strange voices are not stopped, they lead to temptation and lust – *James 1:13:15* ¹³“*Let no man say when he is tempted, I am tempted of God: for God cannot be tempted with evil, neither tempteth he any man: ¹⁴But every man is tempted, when he is drawn away of his own lust, and enticed. ¹⁵Then when lust hath conceived, it bringeth forth sin: and sin, when it is finished, bringeth forth death.*”

The implication of strange voice is destruction of life and destiny and even death. Strange voice never end anyone in good state. They are the forces behind the unexplainable horrible occurrences around us. For instance, when a man is always hearing strange voice like kill yourself! Kill yourself!! You should know that man is on his way to commit suicide, if not rescued nothing can stop him until he do the bidding of the strange voice. Every negative manifestation begins as ministration through strange voices and mature overtime before execution. Many suicidal thoughts and cases today are manifestation of strange voices. A young man shared with me how a voice has been ministering to him, saying what are you living for, and he has made attempt to take poison at the instance of that voice. You see, that is a strange voice at work in the life of that young man. I told him to always reply that voice whenever it comes, saying back to the voice, I'm living for God, I'm living to fulfil my destiny, I'm living for millions

of reasons, always command the voice to shut up and speak no more. Hear this, ***“Neither give place to the devil – (Eph. 4:27).***

Never give a place to strange voices, everyone is a victim of what he/she hears. According to Bishop David Oyedepo "What you don't want, you don't watch". You need to take responsibility to stand against strange voices. They are adversary to destiny. They speak to everyone to see whom to devour when not resisted.

“Be sober, be vigilant, because your adversary the devil as a roaring lion, walketh about, seeking whom he may devour.”
(1Pt 5:8)

“And the LORD said unto Satan, Whence comest thou? Then Satan answered the LORD, and said, From going to and fro in the earth, and from walking up and down in it. (Job 1:7)

One major implication of strange voices is that it get you enticed, it speaks enticing words to you. The voice is an

enticing voice, it can manifest through anybody. Be sober and be vigilant to watch out for words of enticement in any conversation. Enticing words are manifestation of strange voices. The strange voice carries the spirit of enticement. Strange voices are heard from strange spirits. When strange spirit enters into any individual, no matter the status, that individual ministers or talks under the strange voices which produces enticing words. Take a Look at **2Chron. 18:19-21**

¹⁸“And the LORD said, Who shall entice Ahab king of Israel, that he may go up and fall at Ramothgilead? And one spake saying after this manner, and another saying after that manner. ²⁰Then there came out a spirit, and stood before the LORD, and said, I will entice him. And the LORD said unto him, Wherewith? ²¹And he said, I will go out, and be a lying spirit (strange spirit) in the mouth of all his prophets. (My words: to speak to Ahab under strange voices) And the LORD

said, Thou shalt entice him, and thou shalt also prevail: go out, and do even so.”

What was the result of this? Ahab was killed under strange voice as he yielded. Ahab was killed at RamothGilead (Read vs 28-34), may your life and destiny not be destroyed under strange voices in The Name of Jesus Christ. Amen!!

Strange voices kills, destroys and make a shipwreck of life and destiny. Yielding to strange voice is signing into frustration, stagnation, manipulation and destruction. This is the reason we must take personal responsibility to consciously, open mindedly, decisively and spiritually stop every strange voice we hear.

Stop That Strange Voice Before it Stops You

Holding fast the faithful word as he hath been taught, that he may be able by sound doctrine both to exhort and to convince the gainsayers (strange voices). For there are many unruly and vain talkers and deceivers, specially they of the circumcision: Whose mouths must be stopped, who subvert whole houses, teaching things which they ought not, for filthy lucre's sake - (Titus 1:9-11).

Friend, you have been empowered to stop strange voices. Strange voices are not stronger than you, we have the power to stop them when they speak to us. It takes your consciousness and open mindedness to decisively and spiritually stop them. We must do so as quickly as possible before they stop us. Don't wait to meditate on the ministration of strange voice before you stop it. Delay is deadly. The Scripture says in **Titus 1:13a** *"his witness is true. Wherefore rebuke them sharply..."* . The witness of the destruction of strange voice is true, so don't

delay to stop them. Stop them sharply before they stop you. Until you know better, you cannot go further. Hold fast to the faithful word that cannot fail that you have been taught to stop these strange voices fast.

Ways To Stop Strange Voices Sharply?

Beloved, strange voices are not stopped by the energy of the flesh. "***By strength shall no man prevail***". It takes spiritual travingling to prevail over strange voices. This is why spiritual forces are required. It is not by might nor by power but by the Spirit. Your knowledge of spiritual forces and their application establishes your victory over strange voices. You can't go further until you know better. The level of your knowledge determines the level of your spiritual strength. Every man's victory is rooted in his knowledge of what he knows, the level of his knowing and how he applies what he knows. "***They know not neither do they understand... but they shall die like mean men***" – (Psa. 82:5-7).

There is a how to every issue of life. To stop strange voices, you need to know the "how", the way or the step. Here are the ways or the steps to rebuke and stop strange voices.

- **Know what is Written:**

What is written is stronger and powerful than what is been said. What is written is superior to what is been said. What is written erases whatever is been said. Your knowledge of what is written gives victory over what is been said, no matter who said it and what or how it has been said. You know strange voices when you have knowledge of what is written. Whatever contradicts what is written is a strange voice. You stand upon what is written to rebuke and stop that contradiction (the strange voice).

³“And when the tempter came to him, he said, If thou be the Son of God, command that these stones be made bread. ⁴But he answered and said, It is written, Man shall not live by

bread alone, but by every word that proceedeth out of the mouth of God. ⁵Then the devil taketh him up into the holy city, and setteth him on a pinnacle of the temple, ⁶And saith unto him, If thou be the Son of God, cast thyself down: for it is written, He shall give his angels charge concerning thee: and in their hands they shall bear thee up, lest at any time thou dash thy foot against a stone. ⁷Jesus said unto him, It is written again, Thou shalt not tempt the Lord thy God. ⁸Again, the devil taketh him up into an exceeding high mountain, and sheweth him all the kingdoms of the world, and the glory of them; ⁹And saith unto him, All these things will I give thee, if thou wilt fall down and worship me. ¹⁰Then saith Jesus unto him, Get thee hence, Satan: for it is written, Thou shalt worship the Lord thy God, and him only shalt thou serve. ¹¹Then the devil leaveth him, and, behold, angels came and ministered unto him.” (Matthew 4:3-11)

Looking at the Bible Passages above, the strange voice (The tempter) came to Jesus and ministered to Him. In other words, Jesus heard a strange voice, Jesus answered the strange voice, "it is written", the strange voice came again, Jesus answered again "it is written", up to the third time, then the devil (strange voice) left Him... This implies that the strange voice was stopped by the written words. Every strange voice you hear is to test your knowledge of what is written. Imagine if Jesus wasn't full of the knowledge of what is written, He would have become a prey to strange voices cheaply. Lack of knowledge of the written word of God (Logos) makes you a cheap victim of strange voices. Nothing gives you an edge in life like what you know. What you know is what makes the devil to know you.

“Jesus I know, Paul I know, who are you?”

You know nothing in life until you know the written word of God. I don't care the level of your influence or knowledge in your academic field or circle of life. Even a professor with all

the degrees without the knowledge of the Word of God, little devil can mess him up. The devil is not afraid of your academic qualification but he fears your quality knowledge of God's Word.

You are not superior to the devil until you know better than him and you don't know better than the devil until you know the written Word of God. No matter what the devil claim to know in God's Word, is a photocopy of the one you know as a redeemed child of God. The original will always stand out amidst all photocopies. Look at this:

7“And saith unto him, If thou be the Son of God, cast thyself down: for it is written, He shall give his angels charge concerning thee: and in their hands they shall bear thee up, lest at any time thou dash thy foot against a stone. 7Jesus said unto him, It is written again, Thou shalt not tempt the Lord thy God.” (Matt. 4:6-7)

When you examine the origin of this Scripture in (Psa. 91:11-12) you will discover that what the devil quoted was photocopy that can never be like the original. The words from the devil's mouth are not in the original version, *concerning thee* is photocopy. The original is ****over thee****, *at any time* is not there at all. The devil can never say it exactly the way God said it. Hear Jesus response to him in Vs 7 ***“Jesus said unto him, it is written again, thou shalt not tempt the Lord thy God”***

Hear this, if the devil knows what you know from God's Word, he will not say what he said to you. The cheapest way to silence that strange voice is to know what is written.

- **Connect to the Light of the Written Word:**

There is light behind every written Word of God, and when you connect to that light, you cheaply put a stop to every ministration of strange voices. Knowing the written Word of God is not enough anyway, getting access into the light of the

written Word of God is also paramount. Anywhere light speaks, darkness has no saying. For the light shines in darkness and darkness could not comprehend it. **"Words of light are stopper of words of darkness"**. When you are connected to the Word of light, the word of darkness is silenced.

¹⁰⁵"Thy word is a lamp unto my feet, and a light unto my path." (Psa. 119:105),

Open thou my eyes to behold the wonderous things out thy law (Word) David said; this include light. The written Word you know makes you the voice of light, and the voice of light is a knowing voice. The known voice silences every unknown (strange) voice. Jesus is the Word and the Light. When you connect to him just as He did, you put a stop to every strange voice.

¹²" Then spake Jesus again unto them saying, I am the light of the world he that followeth (connect) me shall not walk in

darkness (i.e silence strange voices) but shall have the light of life.” (John 8:12)

In other words, when you connect to The Light of God’s Word, you enjoy seamless and incessant victory over strange voices. May you enjoy victory over strange voices in The Name of Jesus Christ. Amen!!!

- **Rebuke Them in Prayer:**

The words of rebuke are words of prayer, so the alter of prayer is an alter of rebuke. In the words of Bishop David Oyedepo “What you don’t want, you don’t watch.” The message you don’t want to hear, you stop it before it plays. If you don’t want to hear nonsense, don’t listen to the nonsense to the end. Strange voices are to be rebuke and stop sharply.

“For there are many unruly and vain talkers, and deceivers ... whose mouth must be stopped... wherefore rebuke them sharply...” (Titus 1:10-13).

Your mouth must be engaged to stop their mouth. Rebuke them with your mouth by engaging bold prayer of declaration. Declare war against strange voices by speaking out loud the written Word in prayer. For instance, a strange voice is telling you to commit suicide or to go and steal, open fire immediately: you spirit of suicide, you spirit of stealing, I command you to speak no more, be silent forever, for it is written, I shall live and not die to declare the works of the Lord, for it is written, a child shall die at Hundred and I shall not die young, the number of my days I will fulfil. Tell that spirit of stealing, for it is written, cursed be upon the house of a thief. Friend, your victory is in your mouth ¹⁵***“For I will give you a mouth and wisdom that your adversary shall not gainsay nor resist”*** (Luke 21:15)

“There shall no strange god be in thee; neither shalt thou worship any strange god. ¹⁰I am the LORD thy God, which brought thee out of the land of Egypt: open thy mouth wide,

and I will fill it. ¹¹But my people would not hearken to my voice; and Israel would none of me. ¹²So I gave them up unto their own hearts' lust: and they walked in their own counsels. ¹³Oh that my people had hearkened unto me, and Israel had walked in my ways! ¹⁴I should soon have subdued their enemies, and turned my hand against their adversaries. (Psalm 81:9-14).

One of the ways to silence strange voices is to rebuke them sharply in prayer in open declaration. Don't negotiate with strange voices, rather navigate them immediately. Receive the grace in The Name of Jesus. Amen!!!

- **Hold on to that Written Word Faithfully:**

The only way to dispel darkness is to hold on to light. When you stand firm on your solid ground, every other ground becomes a sinking sand to you. Holding on to the Written Word of God faithfully makes every other word fake to you. The only

way to convince a strange voice to remain silent forever is to holding fast and holding faithfully what you know.

“Holding fast the faithful word as he hath been taught, that he may be able by sound doctrine both to exhort and to convince the gainsayers (strange voices) -Titus 1:9.

When you don't let the Word of God go out of your heart, strange voices cannot be accommodated in your heart. **Prov 5:7,17.**

What you hold on to determines your standing. The Written Word of God is strong enough to silent strange voices. The Word of God is like a hammer that breaks the rock into pieces, it is like a fire that burns every chaffs.

- **Refuse to Meditate on that Strange Message:**

Friend, one vital and crucial way to stopping strange voices is to refuse to meditate on their ministrations. Meditating on strange messages is nurturing them in your heart for

accomplishment. What you think in your heart settles in your heart. **"If you cannot think it in your heart, you cannot act it in your life"**.

Your heart is what produces the life you live –²³***“Keep thy heart with all diligence; for out of it are the issues of life – (Prov. 4:23). Put away from thee a froward mouth, and perverse lips put far from thee. For as he thinketh in his heart, so is he:”*** (Prov. 23:7). He heard death, he thinks death; then he died. He heard go and steal, he thinks stealing and he stole, and he was destroyed. Until you stop thinking the act, you cannot stop the act. Your meditation reflects your life. The voice you don’t know you don’t pay attention to. For instance, if my name is not John and you keep calling John, I will never think you are talking to me, by the moment I begin to think of John, I started giving you attention. Hear what Jesus said in **John 10:5** ***“And a stranger will they not follow, but will flee from him; for they know not the voice of strangers”***.

Meditating on strange voices exposes you to strange acts. Giving attention to every strange voice you hear makes you vulnerable to strange acts of destruction. What you don't regard can never build up or build in you. The devil you give attention to will manifest in you. ***"...Neither give place to the devil".*** Until you think evil, you cannot become devilish. You are what you think. Life is a product of the mind. It is your mindset that set your life and destiny. If you want to die, then think of death, you want to live, think of life, you want to succeed, think of success, and if you want to enjoy good things, think of good things.

Phil. 4:8-9 ***"Finally, brethren, whatsoever things are true, whatsoever things are honest, whatsoever things are just, whatsoever things are pure, whatsoever things are lovely, whatsoever things are of good report; if there be any virtue, and if there be any praise, think on these things. 'Those things, which ye have both learned, and received, and heard,***

and seen in me, do: and the God of peace shall be with you. Meditate upon these things, give the self is wholly to them, that thy profiting may appear to all.” (1Tim 4:15)

May you not loose your profits in life to strange voices in The Name of Jesus! So, silent that strange voice.

- **Be Committed to Following the Voice of God Always Through His Written Word:**

You cannot truly know the spoken Word of God (Rhema) until you know His Written Word (Logos). His Written Word gives you access to His Spoken Word. You must see what God is saying through His Spoken Word before you can hear what God is saying through His Spoken Word. *“Once has God spoken, twice have I heard him...”* So be committed to studying His Word (the Bible) and obey His Voice fully. Until you are committed to obeying God’s voice always, you cannot revenge or stop the strange voice. ⁵*“Casting down*

imaginations, and every high thing that exalteth itself against the knowledge of God, and bringing into captivity every thought to the obedience of Christ; ‘And having in a readiness to revenge all disobedience, when your obedience is fulfilled.’

(2Cor. 10:5-6)

Your commitment and readiness to following the voice of God silences every other voice you hear. Showing yourself approved by God disapproves you to strange voices.

2Tim 2:14-17 ¹⁴*“Of these things put them in remembrance, charging them before the Lord that they strive not about words to no profit, but to the subverting of the hearers. ¹⁵Study to shew thyself approved unto God, a workman that needeth not to be ashamed, rightly dividing the word of truth. ¹⁶But shun profane and vain babblings: for they will increase unto more ungodliness. ¹⁷And their word will eat as doth a canker: of whom is Hymenaeus and Philetus;”*

Receive great grace to be committed to God's voice in order to disapproves of strange voices in The Name of Jesus. Amen!!

These are the key ways among other to put a stop to strange voices. As you commit yourself to the encounters from this book, ministration of strange voices are silenced forever in your life in Jesus Precious Name. May you never become a victim of strange voices again in The Name of Jesus.

Benefits of Silencing that Strange Voice

²²A merry heart doeth good like a medicine: but a broken spirit drieth the bones. (Prov. 17: 22)

³⁰A sound heart is the life of the flesh: but envy the rottenness of the bones. (Prov 14:30).

When you are committed to following the voice of peace by putting a stop to every strange voice, your life and destiny is free from: deception, confusion, stagnation, manipulation and destruction. From henceforth, may your life and destiny be free from deception in The Name of Jesus. Amen!!

Depression brings confusion in anyone's life. When you are confused in life, you are stagnated because you don't know where to go and what to do per time. When you are stagnated, you come under manipulation which eventually leads to destruction. When you are depressed, anything can oppress you. I define depression as the devil pressing you down. Until the

devil press you down, he cannot oppress you. I pray for you, be free from every form of oppression now in The Name of Jesus Christ. By this encounter from this book, your destiny is meeting with action to fulfilling purpose in Jesus Name.

Congratulations Beloved! Because you are now finally free from strange voices. Glory to God... Hallelujah!!!

Jesus is Lord Forevermore!

I will be super thrilled to hear from you:
